

We are proud to announce that *Healthcare, Heal Thyself*, written by John H. Rittenhouse has been selected by the Art Directors Club of New Jersey's 48th Annual Exhibition for its book cover and design.

The book will receive the coveted *Art Directors Medal* for the 48th Annual Exhibition to be presented at the awards dinner.

The below list identifies the award-winning piece(s) and is marked either as a medal or a certificate.

This achievement is part of New Jersey's most prestigious show of creativity. All of the members of the ADCNJ applaud your accomplishment!

Congratulations again!

## About ADCNJ

The Art Directors Club of New Jersey is a statewide, non-profit organization of art directors, graphic designers, illustrators, photographers, art educators, and other creative professionals whose talent and services contribute to excellence in the design and production of advertising, promotion, and publishing.

Founded in 1961, the ADCNJ provides an opportunity for stimulating ideas, discovering new talents, sources, techniques, and a forum for the promotion and advancement of the professional designer and artist.
